Who we are

Friends of the SteamPlant is a 501(c)(3) nonprofit organization guided by volunteer directors.

We support the SteamPlant Theater and Event Center by raising funds to restore, improve and maintain the building and grounds; sponsor or subsidize quality programs and community events; inspire community involvement and good will; and promote financial and environmental sustainability.

Your membership provides financial support to help the Friends of the SteamPlant achieve our **VISION** . . .

“The SteamPlant Theater and Event Center is the cultural heart of the region, where history, passion, art, commerce and community gather!”

For more information and project updates, visit our website at www.SteamPlant.org .

What you can do

The single most important way you can help is to join the Friends. Your financial support plays a critical role:

- to insure this important historic landmark is restored and preserved
- to subsidize programs that enrich our world through music, theater and the arts
- to create lifelong memories through family and community events

Take this opportunity to fulfill these critical needs and join Friends of the SteamPlant today.

The SteamPlant will gratefully recognize all 2008 members in the SteamPlant lobby. Contributors donating more than \$1,000 will be recognized at events sponsored by Friends of the SteamPlant. Anonymous donations are also welcome.
